

NORTH ANDOVER ANAEROBIC SLUDGE DIGESTION - NORTH ANDOVER, MA

PROJECT INFO:

OWNER:

Greater Lawrence Sanitary District

ENGINEER:

CDM Inc.

PROJECT VALUE:

\$17.5 Million

TECHNOLOGIES/MATERIALS:

Anaerobic Sludge Digestion

PROJECT HIGHLIGHTS:

Over 500 truckloads of concrete were poured for the cast-in-place gas digesters.

ADDITIONAL DETAILS

The construction of 3 anaerobic digesters at the Greater Lawrence Sanitary District (GLSD) wastewater treatment plant required extensive coordination and planning due to site limitations. Innovative methods were chosen to ensure the anaerobic digesters functioned as designed, and intensive quality control procedures were put in place to ensure the piping systems performed as designed.
